Re: Endorsement

Council Member Hall,

It is with great pleasure that I write this letter to announce that the Santee Firefighters Association – Local 4373 is endorsing you in your campaign for Council Member of the 2nd District of the City of Santee.

You have a proven record as a current Council Member and have been a supporter of your local public safety agencies from early on. I have no doubt that your fire department is a top priority not only as a Council Member, but also as a long-time citizen of this great City. Your passion and desire to serve the citizens and business owners in the 2nd District and the City as a whole, can't be overstated.

We look forward to your continued success.

Sincerely,

Chris Thompson
President
Santee Firefighters Association
IAFF Local 4373
